

Proctoring Services

The library strives to assist with proctoring of exams for local residents or those who are eligible for a library card. In order to do effective proctoring, we request at least three days notice. We need your full name and contact information, the name of your educational institution, as well as the date and anticipated time of the exam. If it will be a computerized exam, we need that information too. We also need time to receive the exam to have it ready for the scheduled proctoring session. Please send an email to reference@haddonfieldlibrary.org for more information on proctoring services or call 856-429-1304, ext. 3 and the Reference Librarian will assist you.
